“ We all love you and you will be truley missed. You have always been a great uncle and in a good way you are the father I always wanted. I'm glad that you have always been the nice and calm man you have always been. My prima's are proud of you and will always be. You showed us how a real man, father and husband should be and I hope we all can find someone that is even half as good as you are. My aunt will miss you but never forget you. You are her soul mate and her best friend. You will Truly be missed. Now you can play with you grandson and show him how lucky we are to have spent time with you.
