“ *Sincerest of condolences to family and friends left behind.
My apologies for not being in attendance.
My friend will surely be missed.
I had a respect for her like none other.
I pray family's needs are met, whether they be spiritual, financial or physical.*

“ *She will be missed by her close family and friends she has made during her life. She was a happy person in her younger days and always was happy to see her friends & spend time with them. We send our prayers, love and condolences to the family near and far in Wyoming. May she have a blessed journey to greet her relatives that are waiting for her.*
