“ *The tears as a little girl who sees her papi juan leave for his honeymoon and leaves me behind. I felt lost then and I feel lost now. As you leave in your new journey. I will miss you even more this time. the tears rolled then and they roll now. But I will carry you in my heart and in my prayers till we meet again. I love you more then words can express. For ever gone but never forgotten....Rest in eternal peace and may perpetual light guide you new destination...*
