“ I am so sad to hear about Kamee's passing. I have nothing but beautiful, fond memories of her. She was bright, artistic and talented as well as a beautiful child. I cherish the many days we spent together making music in choir at Garfield. I will always remember her in her cute little poodle skirt she wore for our "Rock and Roll Forever" musical. What a sweet girl and what a terrible loss. I'm just so sad to hear this. I cannot imagine how hard this must be for all of you. God's love surround all of you and hold you.

“ I remember the first time I met her and I remember our last conversation. She was one of a few students who called me by my nickname and it just seemed natural. I will never forget her wonderful spirit. The light in her eyes and excitement she showed whenever we talked inspired me. I promise to do my best to fight bullying every day for the rest of my life.

“ *Kamee, I wish you a fast and safe journey, and pray you will find the comfort that you could not find here. You were such a beautiful little lady. Reading all the wonderful words that are being sent to you and being shared, lets you know you were loved by many.*

You will be missed, but now we know you are safe, and will never have to endure wanted actions again.

Peace, comfort, courage, strength, love, and prayers go out to the parents, the grandparent, sisters, brothers, and friends, as you begin to heal.

Matilda, if I can be of any assistance, you know how to get a hold of me.

Katee, know your wonderful daughter is seated beside our Creator, and has earned her wings, she will forever be in your heart.

To her friends, shed those tears now, in the daylight, and tell her good-bye. We will never see her in this life again, but one day will meet. Do not be in a hurry.

To the bullies, pray for forgiveness. This is the reality of what unbecoming actions can do and cause. Each being is equal in the eyes of God. Find God, and change your life. Kamee, go with God, and do not let anything hold you back

Prayers, Love & Peace, Regina Jerry, Toppenish., WA.

“ Kamee was in my classes at the beginning of the year. My best memory of her is that she would always be the last to leave the room because she was perfecting some drawing or assignment before she would go. I had to shoo her out as to not be late to her next class and she always gave me a big smile before she went on her way. She will be missed and I will never forget her.
