“ I had the great pleasuring of managing Karina (as her DM) during a large portion of her time at Moneytree. Karina was a fantastic employee and co-worker with outstanding work ethic. You wouldn't find Karina off task or in the back of the branch; Karina was always ready to help her customer with a great big beautiful smile!

*Karina and I shared lovely pregnancy conversations and a joint work baby shower together as our babies were born just a few days apart. Karina and I spoke mostly of our children and the joy of motherhood. She spoke so fondly of her fiancé and her children; you just knew she loved them with all of her being. Everyone around her knew what an amazing mama she was to all of her children.*

*I pray for you Gabriel, for your healing and for your strength to raise your babies and carry on Karina's memory in them as they grow. I pray for all of your family and each of your children.*

*You will all be in my everyday thoughts and prayers for days to come.*

*God bless you all.*

*Karina was one of the kindest people I know. She was my friend before she left home. She came and helped me at home and stuck around and watch movies. Karina made the best fruit salad I ever had!!! She was there for me at so many times in my life then. The world lost an angel and she will be sorely missed. My prayers are with you and your family.*
