Kathleen E. Macias

Dec. 2, 1952- Feb. 28, 2023

A lady who lived her life with tenacity, fortitude and passion, Kathleen Crozier was a powerhouse who lived her life with determination, strength, and love. Born in Snoqualmie Falls, Washington where she grew up with two devoted brothers, Steven S. Crosier and Earl “Jay” Earnest Crosier III who became her protectors and best friends. Her family lived throughout the Pacific Northwest, Wyoming and even as far as Manapouri, New Zealand. Kathleen attended Toppenish high school where she excelled. She was crowned Miss Toppenish her senior year. Thereafter, she continued her education at Perry Technical Institute and Yakima Business College. Kathleen was happiest enjoying nature in the great outdoors. She gave her three children, Mario, Marlo, and Cameron, a wonderful childhood they will always remember. She raised her kids to appreciate the outdoors by bringing them camping, fishing, hiking, and even showing them how to bow hunt.

Kathleen was known for lending a helping hand to those in need. She would often sacrifice her own needs in order to help others.

Even as she endured health challenges for many years, she never allowed them to dim her wit, feistiness, or energy. No matter what obstacle stood in

her way, she continued to live her life as she saw fit.

Kathleen is survived by her three children; and two grandchildren.

Although saying goodbye is never easy, Kathleen's memory and lessons will live on in the hearts of those who knew and loved her. Her family held a private ceremony in her honor at Elmwood Cemetery in Toppenish, WA. Her ashes will be scattered at Bumping Lake next Summer. In lieu of flowers, Kathy would be honored if you would perform an unexpected act of kindness for someone else today in memory of her big heart.

“ *We were sorry to hear of Kathy's passing. She fought a long battle and is now hopefully at peace. The love she was able to share will hopefully bring peace, comfort, and happy memories. May they help comfort all of you during these difficult times.*
