He was active in cross country, track, soccer and especially basketball. Kelly had alot of respect for his coaches and love for his teammates (brothers). He meet and made alot of friends along the way from traveling to basketball tournaments in Washington, Idaho, and Oregon. He wanted to enter into the Marine Corp after graduation to follow in is uncles foot steps LCPL Joe Michael Jackson whom he missed alot and respected.

Kelly will be truly missed by everyone that we had the pleasure to share him with, his quick wit and humor, his smile, his out going nature, his friendship, and overall love for everyone.

Every time you seen Kelly he had that smile for you a hug and there

was always an "I love you" before he left you. Kelly had many moms, dads, and brothers from his basketball family that he loved dearly.

“ Our deepest condolences and apologies, Tarryn and I will not make the services. We are out of town(New Orleans). It's so tragic to think that the life of Kelly Zick, no longer goes on. His presence was a day changing experience to everyone. Such a fierce competitor, half the time he killed you on the court/field with a grin or a full blown smile. I'd like to thank Ed and Irene for allowing us to show the pride that we had for that "little indian boy". He was a great soul for our reservation and our valley. Rest well, young man. We will play and live in your name. We will fulfill the expectations you set. Love.

Kaleea, your brother's memory will remain forever in my heart. My daughter, Bobbie Ree; his classmate for years, is saddened too. THS will forever be changed. You probably have all of the best stories of your brother. Your son will want to know all about his Uncle when he gets old enough. Take care of yourself. Connie Blodgett Lewis
