“ *To Kristopher's family I extend my sincere sympathy, to Kristopher I wish a speedy journey...  
I worked with Kris as a high school counselor and truly enjoyed watching him grow into the person he was. He always had a kind work for teachers and friends and a twinkle in his eye when he needed something to work, whether it was a missed test or basketball credit for graduation.  
He will be missed.###imported-begin###Sharon Robinett###imported-end##*
