Due to COVID, a Celebration of Life and internment at Terrace Heights Memorial Park will be held in spring 2021.

“ I knew Larry in grade school in Toppenish. We later met again in 1958-59 when he played Richland at Col-Hi. I was a cheerleader for Richland at the time. We had a mini reunion and got to talk about Martin Gardea, a mutual friend. Larry will surely be missed. Rest in peace my friend. Ernie Trujillo

“ I tried sending this yesterday, but it seems the message did not come through.

I am so very sorry to hear about the loss of Larry! Larry was a great friend and classmate. We met in grade school, rode bikes together, played in the Elder barn routinely, played sports together, graduated together in 1959 from Toppenish High School, and attended all class reunions together!

Larry was a very special person! He was a gentle man, caring, loving, and just a great guy to be around. Larry will be missed tremendously!

Our thoughts and prayers are with and for Larry's family during these difficult times of mourning. May God wrap his arms around you and comfort you!

Larry is in a better place now in heaven! Larry, all of us classmates will likely be joining you in the near future. We will continue our great class reunions when we all get together again! May you rest in peace dear friend!

“ Gina-

I am so sorry to read about the loss of your “precious” papa.

You and your brother were blessed with fine parents.

I got to know both of them by working in the pharmacy.

Mama was a “kick” to talk to.... so energetic and full of life.

Papa was a true gentlemen.... very kind and humble.

Condolences to you and your family.

Many blessings,

Karen
