“ *This summer, my son Jamison took a Hunter Safety class in Selah. It was there that we met Larry and his Grandson. His Grandson was taking the safety class and Larry picked him up everyday and drove him to Selah for a week of classes. Larry would sit and wait for the 3 hour class every night. I visited with him on many of those nights and he always had so many great things to say about his family. We want to send sympathy to his family and especially his Grandson that we met this summer. You are in our thoughts!! Betsy and Jamison Owens##imported-begin##Betsy and Jamison Owens##imported-end##*

“ Edna, Lee and the rest of the family. I am so sorry for your loss. Larry was a wonderful person and friend to me and was such an excellent worker for me for so many years. I relied on him as my number one right hand man for all the years we worked together. His passing was such a surprise since he should of had so many years left ahead of him. I can't say enough about what a great guy he was. I'm sure he will be dearly missed by everyone who knew him.##imported-begin##Pat Muffett##imported-end##
