“ *May the good lord be with your family and friends. May you have a safe journey home to your loved ones that await your arrival with smiles and hugs. Thank you ... so very much for encouraging me to go back to College and make something of myself. You will always be in my heart and your words will always be in my soul. I will remember you and smile. I will never remember you and cry because that is people should do because it brings set backs in our lives and to those around us in school, work, and at home. Thanks for telling me that. God be with you all. AMen. Your Truly, Matthew Yahyowan###imported-begin##Matthew Yahyowan###imported-end##*
