“ *My heart is heavy as I write this, My Tio Larry was different from the rest of our family. Tio Larry I still can't believe I'm writing this because of your passing. Words cannot describe this difficult moment, but if this is the last time I get to say goodbye then I know I will do so with the knowledge that I consider myself blessed to have lived this life as your niece. You touched so many lives by your selfless and countless acts of kindness, always giving and never expecting any favors in return. Your dedication to a cause was what set you apart. For every institution you worked for, you laid the path for others to succeed. Tio Larry you were and will always be an inspiration to myself, the entire family, and anyone who worked with you. You have left a void in the family that will never be filled. We thank the Lord for your life, until we meet again.*

Your Niece, Lucy
