“ *Peace sent to family and friends of Leon, a man of great convictions. Leon is as solid as a man can be. He knew what his values were, what he wanted to bring to the people he was allowed to influence, and devoted his life to making mother earth a kinder place. I realize I never saw Leon angry. Not saying he never was but he was one who displayed one of the most even temperaments I have known. He had such a soothing and caring personality yet was focused and very successful competitor. Leon shall remain a most respected memory and friend. Comfort to his soul.*

“ *My uncle play big role in my life for years. He always call me up every single day and check on me, he discipline me when I needed it. I love all his teachings and words of wisdom that he gives me about shaker religion. He will truly miss by many. My prayers are with my family who left behind especially my auntie Harriet. I love you all*

“ Sending the Strom Family my condolences. Leon was a true believer in keeping our family together and he wanted each of us to know who we are. He would call me and cousin Raven and ask us to prepare for our Fisher/Cole Family Gathering, he deeply encouraged us to have a name giving for each of our family members because he truly believed we will be called by our native name and not our government name. Cousin Leon was and always will be a respected elder of our Fisher/Cole Families. Sending Harriett and family lots of love, hugs and prayers.

Respectfully,  
Jonnette Bastian - James / Fisher/Cole decedent - Jonah Cole my Grandfather
