“ I will never forget my dear friend Leonard, I praise the Lord for our friendship and especially his joy to be around. I ask the Lord to Bless the family which is left behind. I, as you know the feelings of loosing somebody so young, but I know the Lord has truly called an Angel home to guide and protect the family left behind. I apologize for not being around for the services, but know that my prayers were there with each of you.

“ *My condolences to Leonard's family. I always considered Leonard a friend - one I could count on to make me laugh and also make me think about the serious side of life.*

Even after I left the Wildlife Program I would call Leonard occasionally because I wanted to visit his "knuckle ball" personality. I'll miss knowing Leonard is there physically - but he's still there otherwise .##imported-begin##Hank Fraser##imported-end##

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

May the peace which comes from the memories of love shared, comfort you now and in the days ahead.

Best Wishes,
