“ *To the family of Leonard Savala.*

I cried today, more than I did when both my parent's passed away last year. I am soo mad at Leonard for leaving this earth, but I have to believe he's ok. I can't say happier because one thing about that man is that he was always smiling. Laughing and joking with everyone. Never saw him angry or upset once in the many years of our friendship. He would make me mad at being late for work with me, then show up-work hard and have me laughing at the end of the day. Nieces and nephews listen-he loved you all so much and was proud of each of you. Leonard I miss you already buddy.##imported-begin##kris fork##imported-end##
