I was devastated and got the news from brother Les a week after her passing. I will truly miss my classmate and dear sister. We seem to run into each other at the laundry mat(Toppenish). Ask how were doing, share our worries but feel better after hugging, & holding each other. I kick myself for not being at the services to give comfort and sing and dance for her beginning her new journey. I love you and will miss our talks.

*Safe journey to my lifetime friend and now a Big Sister.
We shared many times from our young age and up, but it always ended with smiles and laughter. She was a happy lady and was very nice to everyone, never looked down on anyone, was a true friend. I am going to miss her.
But she travels and is greeted those she missed and loved. Her children, Gramma, Siblings, family, and friends.
Your smile is shining today, you rest in peace always.
Condolences to all.*
