“ *Grandma; not a day goes by that we don't think of you. We miss you so much. I miss your cheesy smile and your non stop laughter. Every time I make potato salad, I think of you❤️ I know your up there smiling down at everyone, sometimes I wish I could just hear you laugh. One thing I won't forget is being 7-8years old and going out to the house for a birthday party, I seen Courtney there and asked her what she was doing at "my grandmas house" she said "shes my grandma" and we were on the toys arguing for quite a while. Hahaha I love you grandma❤️*

“ I am so sorry to hear of Marcy's passing. She used to come with her parents and spend time w/ my mom and dad Verbena "Beans" & Perry Greene in Warm Springs. She used crawl on top bunk and my brother would sneak in and kick the bed on bottom and make her bounce around she would just laugh and scream. She always had a beautiful smile on her face and that is what I am gong to remember of her. We truly enjoyed our time with her, her sister Amy and her parents. Me and my family send our sincere sympathy to her family.##imported-begin##Ramona Greene Baez##imported-end##
