“ *Herb and Pam and family, I am truly sorry for the pain you are feeling at this time. The loss of our Mother is so great. She is the one person you always thought would be there forever. She loved you unconditionally and taught you so much. You are partly who you are because of her influence. In this time of sorrow, take comfort in the many memories you shared with her, and in all the love, values, and lessons she taught you. Take comfort that she is free of pain and will live in the hearts of all who knew her. My prayers are with you. Nancy Martin*##imported-begin##Nancy Martin##imported-end##
