“ *I will forever miss my grandma Mary. I think about her so much. There is so much I wish I could have shared with her. She was so beautiful inside and out. One of my most favorite persons in the entire world. I miss her and love her so much. I'm just happy she is no longer suffering but I miss her so much it hurts sometimes. I love you grandma. And God bless.*

“ My prayers go out to all Tia Mary's family. I will always remember your smile, our visits through the years, and the love & caring you always showed your family and all of us nephews & nieces. My heart was broken upon hearing the news of your passing but I have to believe that you are now free from the pain and suffering you bravely endured. I have to believe that you are now happy to have been reunited with your parents, your sisters, brother and your son. You're probably now singing with the choir. Please tell my baby girl that I miss her and love her. Miss and love you Tia!###imported-begin##Myrna Garcia-Ham###imported-end##

“ Sorry for the loss of Mary she was to young to leave this world but god chose to come home now. I met Mary back in 1966 and wished I had a chance to see and visit with her more as it seems we only saw each other at family members funerals. Your pain and suffering is over and now you have your angel wings say hello to my mother and father in law for me and tell them I love and miss them very much.
