“ Mom you always instilled things in us I am so thankful that God chose me to be your daughter and you my mother. We have shared some memories you and I and I will never forget about you. You only have one mother in life and it was you. You taught me to write my name and to do other things like dry dishes of which I hated to and you knew that I would dilly dally around thinking that I wouldnt have to do them at all. I love and will miss the time we had together,I know your body was tired and God took you to be one of his Angels in heaven so I will see you again. Tell Billy I love and I miss him,tell my Daddy I love him too and Im sorry he had to go when he did,Tell my big brother Ron I love him too,I love you all Aunt Vi,Uncle Burt and the rest of the family .Love Jan
