“ Mary Ann was a very fun and out spoken girl at school recess.....
She liked games and " winning " was what she wanted !!!
She was
ambitious....excitable...athletic...robust...

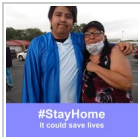

so in about 5th and 6th grade she would match up to play Janet Juarez in tether ball at recess.....
about 30-40 kids would surround the game and root and cheer and hollar....
they would battle back and forth...
who ever got the win well the next day it was the other girl...evenly fierce...

RIP Mary Ann you are a winner !!

*One of your old friends

“ I was saddened to hear of your passing. You were my cottage sister in Kiowa Lodge when I first went to Riverside Indian School. Loved to hear you and your roommate, Darla Jackson Quiver laughing during study hour in the evenings. I enjoyed watching you dance at the pow-wows that were held in the gym. I remember your little converse tennis shoes when your friend Ricky was laughing at how small they were. Hugs to all the family. Funny, I always spelled Marion's name like I just did. Mary Ann was so beautiful. Blessings from God, and comfort from God's Holy Spirit to all family, and friends. In Jesus name. Amen.
