“ *I'm so sad to hear of Aunt Mary's passing. She was one of my favorites! I will miss her phone calls. My condolences to the family. Sorry I could not make the service but I am sick with Covid. Peace be with you.*

“ *My grandma was a very strong woman, she loved her great grandkids like no other. She loved to talk to everyone and always wanted to be apart of the conversation . She loved to joke around and that is what I miss. She always listened to me and took me in when I felt alone I miss her so much*

“ *My sweet little old lady.
Had the biggest heart, I can't begin to explain how full she made me feel. Always felt just like home when I went to see her. I'm lucky to have met her. R.I.P Mary*

“ To Mary Macias ‘s Family:

Your mom was a “wonderful” lady. She was a perfect role model for honesty and integrity. You were truly blessed for having her as a parent.

I got the privilege to get to know Mary through my commitment to recycling paper products. As I would go to her house to collect her donated products, she would invite me in for a short visit. I thoroughly enjoyed our talks.

Mary reminded me of my own mother a woman who was taught to work hard, work well, and be “unselfish.” She , along with your mom, represented a generation that knew right-from-wrong and always practiced living “right. “

So commendable!

Your mama will be truly missed.

Many blessings,

Karen Lommers
