“ My dear sweet always smiling Aunt Mary will always be in my heart along with so many others as well. She was such a beautiful woman and had such a wonderful spirit of life. I would always tell her I can only hope I have your Genes Aunt Mary , you are beautiful, happy and live life to the fullest., and she said Well honey YOU DO HAVE MY GENES. and we would laugh. It was also fun to see her having fun at the casino in her 90's. She also told me she didnt understand why God was keeping her here at her age but he has a reason I guess, but I am ready to go now. It warms my heart just knowing she was ready . Again, I hope I will have those same genes to accept things as she did too. I love you Aunt Mary and will miss that spirit of you.

My Aunt Mary was my Mom's sister. They always stayed in touch often. When she would come for a visit our home lite up! She was beautiful, and one of the strongest woman next to my Mom I've ever known. I will miss her gentle kindness. She is with her 7 brothers and my Mom now. There's a party in Heaven. She will be a piece of my heart forever.
