“ *Mr. T was a well known businessman in Toppenish. He graciously served many people with their automotive needs. His knowledge was overwhelming. If he didn't have the part one needed, he would get it in quickly. Waiting long periods were non existent. Terry was very efficient..*

His kindness to people was tremendous . He was courteous to all customers. They soon became his friends. Special treatment was his motto. Everlasting nice!

Terry also cared for pets... a little partial to cats. Some were allowed to roam the store and would entertain Terry and his customers. Paw prints were in abundance because those creatures were important and there were a few to do a nice job. :)

Christmas time was fun as Terry would share Christmas treats (cookies and candies) made by Sue. Always something to look forward to in the month of December. So yummy! 😊

Prayers and blessings,

Richard and Karen Lommers

“ *To Sue and Ts family, I send my condolences and so many hugs from my heart. There have been a lot of memories created over the years with T and Sue, and it's hard to focus on just one. From auto parts to cats to softball and the casino, T etched out a place in many minds of good (and maybe not so good) memories. He could be a hard nose, but he had one of the biggest hearts in this valley. Rest easy T, say hello to dad and my boys for me. Love from our clan to yours.*

“ *I first met Terry on the softball diamond in the late 70s and early 80s. He always fielded a fine team of players and it was fun to compete against them. Later I came to know him through his auto parts store in Toppenish, when it was across the tracks on the Eastside of Toppenish. He would let me get parts on credit and even labor at the shop behind his parts store. Good man, always good to run into him at his store or when out and about. Prayers up for the many friends and family left behind. Terry, "Batter up!"*
