*May you have a good journey, and do not look back. You will getting your new body with no sickness, troubles, and worries. I also will miss that beautiful smile that you shared with everyone. To the family and friends that have been left behind, be strong and be glad our elder was with us this long. Too many times in the past weeks, we have been putting away our young people, who are supposed to be picking up where we leave off. Any death is sad, but our young people...well, it just hurts too much. So Myra done much with her life, and we each have our own precious memories, cherish them. Praying that Creator will take care the children, grandchildren, nieces, nephews, sister, and all her acquaints'. You will be in my prayers, keep us in yours.  
Prayers, Love, & Peace, Gina Jerry*
