“ *My dearest friend,
I was sad to see the news. Don't want to believe my eyes. I'm thankful and blessed our paths had crossed. I will always remember the laughter and hugs. Value our friendship. Fly high. Til we meet again. Rest easy. My deepest condolences to the family left behind. -Angela*

“ *Well Nephew, you can play golf on the big course up in heaven. I remember, we was cleaning the house on Ahtanum and we opened the hall closet. I asked who's golf clubs? You look and laugh and say, mine. I didn't know you played golf. I'm going to miss you. I love you Nellie. Tell everyone hello for me. R.I.P.N.A.H.*

“ *Safe journey. Eternal rest and peace to you.*

Very sad to say 'latter' to you, but the good thoughts are that you two are traveling together, traveling to paradise.

Sharing my thoughts of this beautiful sister and her son. Together, gives us a healing knowing they are traveling together.

Family lined to greet both of you on the other side.

Be missed, never be forgotten. You take care of your Mother, she can now no longer have sickness, tiredness, and pain. Both of you have been working for this day.

Condolences to family and friends left behind. Take care of each other. Pray.

If nothing, remember many families have roots in this faith. Worked in prayer, healing, losses, new births, special occasions shared, with prayers in church and sharing meals.

Our faith is our extended family.

When we lose them, it's hard to say rest well, knowing there are vacant places where we used to see them. We are also feeling that hurt.

So pray for the many that share our shaker homes, our shaker churches, our faith, because our hearts feel the loss today.

We hosted the annual convention, Sister was working taking care of her duties. We witness this right up to the end she was working for Maci'.

Prayers for all.

Travelers be safe, roads and vehicles be safe. Keep minds alert.

Get rest.

Maci'
