“ *It breaks my heart that I will no longer see your smiling face and hear your incredible laugh. You mean the world to me and I will always have lots of special memories of you and the time I spent with you. As much as I wish I could see you one last time, I know you are in a better place and one day we will meet again. I will always love and miss you Ozzie..*

“ It breaks my heart that you are no longer with us, Junie. But it's comforting to know you are in God's loving embrace. I have many happy memories of growing up with you and going to school with you and seeing you at family functions. You had the best smile and you always put one on my face. I will love and miss you always. I pray that God comforts your family and that He helps us all through this great loss.
