“ To the family and love ones of Owen;  
The Parker family of Desert Aire would like to extend our sincere condolences to all of you during this difficult time as you grieve the loss of this young son, grandson, brother, nephew, husband, father, and friend. Garrett, our son, went to High School with Owen and Lived at our home in Desert Aire for a time during his senior year along with my husband, David (who passed away in 2005), our Daughter, Rena and myself. Owen often referred to me as "Ma" Parker. It was a true pleasure having him in our lives and we feel privledged that he shared himself and his life with us, though for such a brief time. During his military service he often showed up on our door step when he was home, just to say "Hi", "Merry Christmas" or "What's for dinner"..... I pray your love and memories will bring you comfort and sustain you during this time of great sorrow.

God Bless, Val Parker
