“ *Sending our condolences and prayers to the family of Patricia Goudy.
My husband and I knew Ron when he married into the Dwight & Jenny Wms' family. We met Ron's mother a couple of times and she was always kind. Ron was such a wonderful person, kind and gentle. Very genuine and selfless; qualities he must have acquired from his mother and family. Linda and Ferris*

“ *Auntie,
I know that you are in heaven with the lord and I pray that you will ask his blessings over the remaining family here on this earth. We all love you, admired you and I am thankful that you were always there for me... I remember when you drove each day from the river to Portland to work and how you would often pick me up and take me to visit my relatives on the river, I will always remember the time spent with me and my sisters...Your love, strength and honesty is inspiration to my heart.*

“ To the Children & Grandchildren who are left behind, today I extend my condolences to you, and each of you will be in my prayers. Your mother was a very special person to me, we always exchanged ideas and kept in touch with another, and I will miss her very much. Especially in my political walk. But she always spoke highly of each you, and you all meant the world to her, do the things she had asked of you, secure your education-that was her big thing, get good jobs, love and take care of one another. Remember her smile, she could light up a room with that smile, and I pray each of you will carry that happy bright spirit on, as she did.
