“ *What a treasure this lady was to me in my growing-up years. I lived in Orland, CA, and I am the daughter of her brother, Clarence (Bud). Grandma Irene lived in Orland too, so we got to see quite a few relatives come visit over the years.*

It was always a good time when Aunt Pauline came to visit. Good food, great company and my Dad and Grandma always seemed so happy when she was there.

My sympathies are with your family over their loss.##imported-begin##Patty Barnacascel Brumbaugh##imported-end##

“ To the entire Betschart family, we extend our heartfelt and deepest condolences during this time of sorrow. So sorry for your loss of such a cute & wonderful lady! Irene, she always loved you as one of her own. And, the few occasions I went with you to visit her on the 'ol homestead, she always had such a sweet smile! She remembered most of the grand-kids most of the time? But then there were plenty of kids so hard to remember which kids belonged to whom & hard to try to get the names straight! She lived a long and wonderful life, didn't she. She's with the angels in heaven now with all those who preceded her in death. RIP Mrs. Betschart! We shall never forget you. Peace be with you, IRENE & all the rest of Betschart clan! Wasn't her mother's name Irene too? What a namesake.
