“ *My young nephew was a very nice young man, good Father, good brother, good uncle, good nephew, good grandson to his elders, good friend to his bros and a good son to his parents at one time and good friends are hard to come by.*

*His mother was my sister from my Atwi uncle Leo Aleck, he had a hand in helping raise her and said to me this is my only daughter and her kids will be my grandkids so he said to me so they are your nieces and nephews when she has children. I got to attend the eldest daughters funeral and that's when all my kuthlas was here yet and we spoiled her I'll always love all my nieces and nephews that's still here today as this man loved all children and people in general he had the kindest heart and a good worker wherever he worked he said I love to work, hunt, make my own jerky, Go fishing at the falls, or Horn Dam, Prosser where his dad took him a lot, and go fishing at Mt Adams lake, Fishlake stream or go cut wood, its a list that can go on for days.*

*One thing my nephew mentioned how he missed his siblings that went before him and dreamt about them many times greeting him with a big smile and open arms. Those words says it all the Creator says it all love ya nephew rest in peace with all the atwy elders. Gonna Miss visits and your greeting with a big hug 🌸*
