“ *I'll miss my Uncle Regulo very much. When I was a young boy in the 1970's I loved going to his house to visit with him, my Aunt Margaret, and the girls. Uncle Regulo taught me how to shoot back then too. I'll always remember him as a warm, welcoming, laughing man. I love you Uncle Regulo.*

Regulo and family.

Regulo was a friend and classmate since Jr. High.

He and Margaret shocked us as they fell in love in 9th grade.

It is remarkable what you have done in your years Regulo.

I read others' words and notice you continued your easy going, happy, fun loving, kind, and sensitive manner all your life.

I am grateful you attended the class reunion and we could talk, laugh, and oh, yeah...dance. You and your lady were most attentive to one another. I will remember you with only positive thoughts. May your spirit have joy and comfort.

Meet with our other classmates who have traveled before you.

I know you will organize a comforting reunion for us all.

God Bless you, friend.
