“ *Bob, you choose a pretty pony and ride hard,
do not look back.*

*Your days of suffering and sickness come to an
end.*

*You packed your Bible, read, shared prayers,
and you Believed.*

*Today you are being greeted by all the loved ones that you missed.
You leave behind your Yaya, our prayers go for Mike and family.
Many lifetime friends are feeling sad, but need to remind them he is
going to a good place, no more pain. He would say take care and
see ya later!*

*Thank you Bob, you would come and share prayers with me as I
would be in the hospital, thankful for your kind heart and the
prayers. I used to say hey, you do not go of that good book! You
would smile and nod your head.*

*Rest easy. Enjoy Paradise. Give my brothers and sisters a hug from
me.*

*Prayers for families and friends left behind, know he earned his
wings. Amen!*
