“ Rob Ford was an amazing teacher and friend. My son Travis has autism and he did everything to include him and help him be the best he could be. Travis was in FFA and showed pigs. Travis would call him his little leprechaun because one time he dressed you on St Patrick's Day and that seemed to be so funny to Travis. We love and miss you and will always remember how special you were to our family.

Rob has so many friends family, acquaintances, staff and students who loved him for his gracious professionalism, helping out where he could and even helped out with the Robotics club.

It had to take a lot of hours away from his family to do all the things he was doing and yet Deana stood by him and their children. Deana you are amazing Boy Mom ☐
