“ *Jerry and family,  
We were so very sorry to hear about Robert passing away. Our deepest sympathy to all of you during these painful days ahead. Even though Robert is now at peace, the love, memories, and having Robert with you , will in time hopefully give you the comfort you need.  
There were many people who were helped with Robert's generostiy, including us, and Mr. Gomer.  
You were are greatest neighbors and friends, and because of both of you we, along with Tammy and Darrin, have great memories. The spoons you and Robert made, the receipes you shared, the beautiful upholsrty work Robert did for us, and Darrin's many dinners he shared with both of you.  
Your last few years were challenging and you both were troopers. May your love and good memories, and the care and love of family and friends give you help and comfort at this time.  
Call if we can ever help or you need to just talk.  
Our love and sympathy,  
Jerry and Carol, and family###imported-begin##Jerry and Carol Johnson & family###imported-end##*
