“ Betty-

I am so sorry for your loss. You and Robert made a “cute” pair. I thoroughly enjoyed your visits to the pharmacy in Toppenish... where we had a chance to talk to one another.

Those times were special. You radiated whenever you mentioned your “Robert” . Betty expressed deep ❤️ for him each time. :)

It was fun to listen and record these expressions of love and devotion in my mind. I will cherish these memories of both of you.

Love and many prayers,

Karen Lommers
