“ Words cannot explain how I feel about this loss. This amazing young lady had a heart of gold and she was very selfless. She was a good student-athlete and also a wonderful friend. I will miss seeing her gentle smile and I will always have her in my heart. Rest in Peace, baby girl R.J.L.##imported-begin##N. Donato##imported-end##

BL

Thank you Nancy. As I looked around during the services I see that she touched a lot of peoples live in her short time here. She was loved by many and she didn't realize it. I am so thankful you were a piece of her life. She was giving, loving, and had a very big heart. She never seen negative in anybody she met. She only seen the positive. Thank you for your kind words.

“ Dear JJ and Brenda,

I am really sorry for the loss of your daughter, Roma. I did not have a chance to meet her in person, but I saw her photo as I tried to search for her information, and she is so beautiful and seems so tender and gentle.

JJ, I still think of Tracy - I am sure Roma has touched as many hearts and those who have met her in her life will never forget her and never stop missing her.

Take good care of yourselves and your family. I know how strong your family is, and glad to know that you have each other, along with the friends you have near and far, to carry each other through this difficult time.

*Thinking of you and your family,
