

## Rommel Barrera Correa

November 17, 1962 - April 14, 2024

In Loving Memory of Rommel Correa, We bid farewell to a man whose presence could light up a room, as he never missed an opportunity to be in the spotlight. Rommel was a man of many virtues: the kindest soul, the hardest worker, and a kind husband and father whose laughter was as hearty as his spirit. He was the kind of person who would say, "I don't always tell jokes, but when I do, they're about me because, I'm hilarious." Rommel's sense of humor was a testament to his ability to find joy in life's simple moments and to make every gathering a memorable one. Rommel's love for life was infectious. He may have left us, but his stories, jokes, and the echoes of his laughter will forever fill the halls of our memories. We invite all who knew Rommel to join us in a celebration of his life, a life lived fully, joyfully, and always at center stage. Forever in our hearts, forever missed, "God speed."
