“ Hey, this is for Rosie. Rest easy brother. So surprised to see you are on your journey. Fly high, do not let anything hold you back. Travel safe and know better things are waiting for you. Give Granma hugs from all of us! Your smile, sense of humor, the kind heart and words-will all be missed by you.

We completed our training at the police academy. There was six of us, biggest class ever went together. It was cool.

You did services always for other community member. Police communication, corrections officer, and a fire fighter all areas.

Thank you for your services.

Father, Mother, children, granchildren, family, and friends our prayers and love go to each of you. Be safe. Take care of each other. Love one another. Our sad and broken hearts belong to your family. We will heal together.

Safe travels family. The roads,vehicles, and all be safe.

Prayers and love always.

IJN. AMEN.
