*My friend and fellow UNLV Running Rebel! I remember when you and your sister Donna came to participate at the UNLV Native Student graduation dinner for us graduates. Your love and support at that time meant the world to me because we were all so far away from home. May you rest now Rose and much love and comfort for your family at this time.*

“ Safe journey to our Big Sister Rose.  
Prayers for the family and friends left behind.  
This lady was a beautiful Inside and outside.  
Her gentle smile, soft voice, and was kind to all.  
We witnessed these three sisters do much  
together. One journeyed. Today we get notice  
another is preparing to journey. Please keep the third Sister in  
prayer.  
Pray for tomorrow, it will be a hard day for many. Dress warm. Be  
safe. Stay in prayer.  
IJN  
Amen.
