“ We go way back to Chemawa Indian School and I.T.C. in Spokane . We had some crazy times of both having our first baby boy's across from each other at Yakima Memorial Hospital. I can't believe you're gone. It's been awhile, I am left with our memories of our younger day's.

You will be missed, I know you're resting now. Much love to your family along with your children left behind.

“ *Memories of first, meeting Ruby at Wapato Swimming Pool, we were like 9 yrs old, she was so much fun, her ile and laughter were just contagious...*

We had a lot of fun in later years, a lot of great memories, but those first ones sure were some of the best times of my life - I will always be grateful for the times we had...

Atawishamash my Friend, We'll See You Later ?
