“ *I think back of our daily trips from outlook to Yakima to the clinic. Katie, you and I. All the laughs!! You and Hannah with me and my son Damien playing ball at the park by your grandma's house, having fun.*

When you were living at your uncle's in outlook, you took Damien on the 4 wheeler all over the property. The smile you put on his face over and over again. You were such a big help being a Male figure in my son's life when his dad was down.

You were the one to tell me "you're pregnant!"... when I didn't even realize all the symptoms!

We lost touch the last 5 years..

My kids dad, Chris, couldn't believe the news of your passing when I told him. He brought up many memories and said "he was hella cool"

Rest In Peace Ryan
