“ *My dear sweet Sandra that is going to be so missed by everyone that met her. She will always be in my heart and never forgotten. She was the bravest woman I had ever known! She was a giver of her self and also when someone was in need. Time meant more to her than material things. When I called she always answered.. when I needed her she was always there.. there will never be a day that I won't think about her. .gone from us way to early but one day we will meet again.. I love you and will miss you so much. Becky*
