“ I will always remember how much she genuinely was very happy to see me whenever I would visit from the time I was a child into adulthood. I always felt loved by her. I will miss her dearly. My heart is heavy with the loss of my beloved Madrina. Please forgive me for not being able to be with you all this morning her visitation and Christian burial. I most certainly would have presented myself if it were possible. I was there in spirit and my thoughts were with her and all of you by God brothers and sisters. We all know that she is now serving our Heavenly Father in Heaven. I know she will see my abuelita Herminia Moreno and her dear friend. Amen?

When I heard the news of your Mom passing away, I was sad & recall her beautiful smile and her conversations about her Family. I have special memories of her when working in the fields and at the hospital, she was determined to finish whatever job she was doing. I always enjoyed her company and send my heartfelt condolences & prayers to you.
