“ *There aren't words in my known languages to express what a positive impact your passion, love for what you do, and love towards your fellow human beings had on my 14 year old impressionable self. May your kindness and amazing soul transcend this physical world and be multiplied by the actions of the individuals you touched. With love and gratitude-Norma Mariscal, Class of 2001*

“ I was saddened today to read of the passing of Scott...my condolences to his wife and family.

I was a neighbor and friend of the Dorr's for many years and watched the Dorr children grow up; but Scott left us too soon.

My thoughts and prayers are with all of you at this difficult time.

Sincerely,
