“ *I am sending my condolences and deepest empathy to the family of Shantel Totus. She was a former student here at Riverside Indian School in Anadarko, Oklahoma. She was a very cheerful person who always liked to help me and other staff doing small deeds and tasks. Her passing will leave our world a little sadder and less bright. However, I know that she is with the Creator who cares for and looks after all of His Native children. She is in His care now and soon we will see her again. May the Creator continue to bless you all and to comfort you all in this time of passing.*
