“ *We would like to send our deepest and most heartfelt sympathies to Sheldon's family. Sheldon was my first love and the father of my daughter. He wanted us to move to WA. so bad and become a family. I am very, very sorry that he never had the chance to meet her. We always & will forever love him. I just want you all to know that he truly was one of kind and he for sure will never be forgotten. He was my best friend, lover & the father of my child. He will live on through OUR daughter. We'll always have a little piece of him with us FOREVER. We would like for you ALL to know that if you need anything at all, we're here. And, we hope it would be the other way around, as well. I would love & am quite sure Sheldon would love for his baby, to meet his family, that he always talked about so much. WE WILL BE THINKING, LOVING & MISSING SHELDON SHAWN FOREVER... Our prayers & thoughts are with you all...*
