“ You touched so many lives. Opened your home up to anyone and everyone. Your home was the “Gathering Place” the root that held everyone together. Everyone that knew you knows that you are singing, laughing and doing some planning up there in heaven. You are most likely letting them know you are the “Boss” and the “Queen B” Rest In Peace Mom.

Condolences to the family of the loss of Shirley. Shirley was a woman of heart and strength. Always working hard to help provide for her family, a friend that you could always talk to. Shirley will be missed by us all who knew her and were able to call her family and/or friend. May the Lord give the family peace knowing that Shirley has left us for a better place.
