“ I met Stacy when I started school at the Alternative in Moses Lake. She is friendly, outgoing and always willing to help others including animals. We stayed friends after graduation but of course not as much as I'd like being adults trying to find our way in the big world but we stayed contacted through FB. She would come visit her family in Grand Coulee, WA area during the summer and we would try to get together and hang out when she was in my area since I left Moses in 2008. She is a kind soul and I will miss her greatly. Her daughter, family and other friends are in my heart and prayers. Stacy we love you, you are missed! Love you girl!
