

Susan May Rasberry

April 27, 1960 - January 11, 2022

On January 11th, 2022, Susan May Rasberry passed away peacefully in her sleep. She was 61 years old. Susan, or Sue and Susie as she was known to friends and family, was a lifelong Washington native and was well-loved in her small town. Sue was born April 27th, 1960 to Elmer and Mildred Pederson in Toppenish, Washington. Growing up, and all throughout her life, she loved animals of all shapes and sizes. Sue always talked about her beloved childhood dog, Stoner, and her Guinea pig. Sue graduated from Toppenish High School where she made many lifelong friends. Anywhere Sue went, she made new friends and she will be missed dearly by many. Sue worked at Dee's Handout after high school and eventually met Tony Rasberry, who she married in her parent's backyard with close friends and family. After a few years of marriage and working at the Top Cleaners, Sue and Tony had Megan, Taylor, and Jade. Sue is finally with her daughter, Taylor, who she lost when Taylor was just an infant. Sue was a mother to many kids while raising her own in Zillah, WA on the Edson block. She always had a couch available and a hot plate for whoever needed place to stay. Sue was a very giving and loving person, she made everyone feel welcome and loved.

Some people only walk this earth for a short time. Their departure reminds us that angels are watching over us. Her family grieves her loss, but they take comfort knowing that Sue is with her parents and daughter, Taylor. Sue is survived by her daughter Megan Rasberry, son Jade Rasberry, brother Bob

Pederson (Diane), brother Dan Pederson (Jeanine), nieces, nephews, and many friends. A pot-luck style Celebration of Life will be held January 22nd, 2pm at the Toppenish Eagles. All are welcome to join. In lieu of flowers, a donation box will be available at the Celebration of Life. Donations can also be made directly to Heggie's Colonial Funeral Home in Toppenish, WA.

“ *Oh the fun memories of Sue when she lived on Beech Street!
Loved it when they would bring the kids down and visit 😊
Rest easy Sue, you're not in pain anymore 💔
Going to hopefully get reconnected with the kids. I know you would
love to be with them...and you will be, in our hearts 😞*
